SECOND SON DIES STRANGELY

M. Scaffini of Boyes Victim of Mysterious Malady Which Claimed Brother Few Years Ago.

Coroner Frank Phillips was called to the Scaffini home near Boyes Springs Friday afternoon to hold an inquest upon the body of Michael Scaffini, a ten year old boy who died under mysterious circumstances. The case was evidently one of poisoning the child having been taken violently ill with vomiting and growing gradually worse until Dr. Thomson was summoned and prescribed antidotes although the exact nature of the substance causing the illness could not be determined. Despite medical skill the child was dead within 24 hours and the coroner's jury when summoned rendered a verdict of "death from eating some poisonous substance unknown to the jury and taken unintentionally."

Black blotches on the body were similar to those which appeared in the case of younger brother who died suddenly some years ago apparently of convulsions caused by eating some poisonous substance also.

The two deaths in the family and their similarity are mysteries which may never be solved.

Mrs. L. Lutgens has been confined to her home with a severe cold.

Henry Watters has been suffering from an attack of la grippe.

Mr. and Mrs. Ernest Campbell have been away on a 10 day motor tour down south.

WILL CLAIM BRIDE SOON

Arthur Drake to Wed Miss Amy Engler at Quiet Ceremony Early in November.

Arthur Drake, manager of the California Light and Power Company at Calistoga, will claim as his bride Miss Amy Engler, daughter of a prominent Sonoma family early next month. The couple were engaged prior to Drake's entering the army and going overseas. He served with distinction in the anti air craft service in France and after the war returned to enter the employ of the light and power Co. where he is highly regarded by his employers.

Miss Engler, who has been one of the courtous employees of G. H. Hotz, has resigned her position and after her marriage expects to take up her residence at Calistoga where the groom is preparing a cozy home.

The bride to be is president of Sonoma Parlor of Native Daughters of the Golden West and is a young woman of many splendid traits of character. She is the only daughter of Geo. Engler, prominent retired viticulturist and sister of Frank Engler, hero of the late war and present employee of N. W. P. Railroad.

After the wedding ceremony the young couple will speed away on a honeymoon in Mr. Drake's fine Nash touring car. With them will go the best of good wishes from a large circle of friends whom the Index-Tribune will join in the heartiest congratulations.

Mr. and Mrs. C. Olin have been up on a visit to the Henry Bates home.

BEST DANCE IN HISTORY OF N.D.G.W.

Socially and Financially Sonoma Parlor Makes Success of Annual Event.

The fourth annual ball of the Native Daughters was the most successful both socially and financially in the history of the local Parlor. The hall was crowded to capacity last Saturday night and everyone had a splendid time as they tripped the light fantastic to the alluring music of Wilson's jazz orchestra. The Wilson musicians remained here especially for this event as they have an engagement to fill in Oklahoma and may not return here until the Boyes Springs summer season.

The committee of gracious lodge members saw to it that everyone was well taken care of and delicious refreshments were no small part of the evening's enjoyment. Over \$60.00 was taken in on ticket sales at the door beside the large number of tickets sold prior to the dance.

Mrs. M. E. Murphy was in Oakland visiting during the absence of Miss Florence Murphy at the Teachers Convention in Santa Rosa.

The four Zimmerman children of Calistoga have been enjoying a visit with their grandmother, Mrs. D. Hatton, while Mrs. Zimmerman and her husband are preparing a new home in Red Bluff where Zimmerman has bridge contracts for the winter.

About twenty friends and neighbors were guests at the Will Clewe home one evening last week, cards being the diversion.

Mrs. L. Lutgens won the prize at the Bridge Club meeting at the H. Pauli home in Schellville last week.

She is now taking care of her sister, Rosie who is suffering a severe attack of tonsillitis. Her cousin, Juliette Dugan is spending a month's vacation with her here.

Mrs. John Steiner and son returned from Hollister Saturday where they have been visiting Mrs. Steiner's brother, Arnold Keechler and family. John Steiner Jr. has reentered High School.

The wedding ceremony will be a quiet but impressive one at which Rev. Father Byrne will probably officiate. No date has as yet been announced.

An artistic home on Broadway has been purchased by Mr. Cornelius for his bride and the young couple will go to house-keeping there after the customary wedding trip.

Do not miss the Lion and the Mouse at the Don theatre next Wednesday night. It is an exceptional show.

THIEVES ENTER LOCAL STORES

Market and Garage Robbed Tuesday Night and Some Loot Taken.

Thieves entered Maffei's meat market and Garry's Garage some time after midnight Tuesday and stole a rifle, a leg of pork, some small change, a knife and two big auto tires. The door of the meat market was jammed and the cash register rifled although nothing had been left in the till the night previous but pennies. The robbers then tried the safe but made no attempt to force it. They finally contented themselves with a rifle belonging to Pete Peruzzo, which stood in the office, a knife belonging to the book keeper, and a hind quarter of pork.

Garry's Garage was then visited and two of Bertoli's largest tires were stolen. The Sonoma Feed Store was also entered and the till tampered with but here also the thieves were disappointed in making any kind of a money haul.

Upon discovery of the thefts, Deputy Sheriff Ryan got on the trail of a band of gypsies who had been ordered out of the county the first of the week and located them between Dixon and Sacramento, but despite suspicion that they had been implicated in the burglaries, he found no incriminating evidence other than the size of their ears which would take tires the size of those stolen. The officer is now working on another lead and the new blow may result in arrests shortly.

We are prepared to handle your engraving orders for the holidays. Order early, your personal greetings, calling cards, monograms, etc. Index-Tribune office.

The duck season opened October 16 and among the prominent nimrods down for a shoot on our marshes was Chris Donovan of Santa Rosa.

ALIEGE BOYS GOT 'BOOZE

Officers Arrest Proprietor of Verano Soft Drink Emporium After Investigation By Plover.

Alleging that high school boys procured liquor at a Verano soft drink emporium conducted by Jack Main, officers this week caused the arrest of the proprietor of the resort after investigation by Probation Officer Plover.

Liquor is said to have been found on the premises but it is claimed that the bottles were in the room of a guest there. Several young men are implicated in the affair which grew out of a visit to the road house and the subsequent exposure by some of the school boys that they had discovered a wet spot in dry territory. Main never had a liquor license. He is out on bonds pending a hearing on the charge against him.

REBEKAHS HAVE HALLOWEEN SOCIAL

After the business meeting of the Rebekahs Thursday night, there was a jolly Halloween Social. The members young and old donned masks and were costumed in everything from soldier clothes to witches garments. Among the prize winners were Mrs. Hamil Wagon, John Wagon, Mrs. Abele, and Miss Edna Cooper. Among other decided hits were Mrs. McElroy in witches costume, Chas. La Torres in witches costume, Hamil Wagon, schoolboy; Mrs. Grover Rubke, sailor; and Mrs. Race Hunter, newsboy. There were games, music and dancing with refreshments consisting of pumpkin pie and other customary Halloween eats. About 50 ladies and gentlemen of the Lodge attended.

City Trustee Angelo Beretta has been on the sick list this week.

How Reform Recoils

WHETHER IT IS the helpless babe, or the resisting adult, whether the milk from the tested cow, or the wine from the vat, which furnish object and material for reform, there seems to be a masterly muddle of the attempt to meddle and foment measures for uplift and betterment. It results from the opportunity offered charlatans when the mind of the public becomes susceptible to reform talk, making them an easy prey to designers and pretenders. Emotion, not reason, is taken advantage of and where there is one clear minded, rational leader with honest intent and conviction on reform, there are 99 rascals, using the present state of public mind to put over well camouflaged schemes for aggrandizement and self advancement. These 99 rascals with their well studied propaganda, sweep all before them and shamefully victimize the dreamers of beautiful dreams whose hopes of betterment are either shattered or profoundly startled at the by-product created.

There is a present instance of the recoil of reform in San Francisco where the startling shortage of milk and high price of this most necessary product has lately led to investigation. The result has been the disclosure of a pasteurized milk combine which grew out of the desire of well meaning women and germ-mania men to swat microbes and save babies, but led instead to crooked politics and malnutrition—underfed babies and an overfed milk trust. It appears that the San Francisco officials passed a law at the behest of reformers, making it compulsory to pasteurize all milk within the city limits of San Francisco before it could be sold to the San Francisco public. As a result, trucks of milk were barred, for the country milk producers could not compete there since the pasteurization plants within the city were controlled by two or three concerns, and it was apparent that they had a cinch on the public. Milk became scarce and climbed in price, what matter if little fists clutched empty bottles and cried of sheer starvation. Reformers were well satisfied of their success in reducing mortality. Their eye trained on the germ and the public official doing his duty, they spread themselves in their upholstered church seats or complacently chuckled in public over their work of salvation.

What a rude awakening when the general rebellion against the high cost of living began to include milk, and investigation opened up the knot hole through which the country milk men's protest was heard. Then the jig was up or pretty nearly so, for the over-anxious humanitarian and the average citizen who pays taxes for milk inspectors and dairy bureaus and tubercular cow experts to protect milk consumers, began to see the folly and protest, not however before the trust they created has waxed fat on their folly and malnutrition claimed more victims than the germ in unpasteurized milk ever thought of. When will the people of this age turn to two-fold thought and not permit themselves to be obsessed with reforms that regularly recoil or leave in their wake a train of evils while seeking to correct one?

WHAT ARE WE waiting for in Sonoma—a Healdsburg fire to put us in the chemical engine mood again? Our neighboring city was justly discussing the advisability of improving its fire protection at the suggestion of the underwriters when out of a still sky came the clang of the fire bell and a \$25,000 conflagration in the heart of the business district. Preparedness is not talk, fellow citizens. It's a case of put up or burn up and as the illiterate world pointedly remark, "what are we going to do about it?"

IF \$1,640,000 is not going to be enough money to give Sonoma county the concrete and other good roads we voted and Mr. Aldrich seems to think it will not be, why not investigate the type of road discovered by Sonoma county's official investigators and give Sonoma county tax-payers the benefit of that. Otherwise we are liable to have an endless chain debt to complete the partially built stretches of roads in the same sweet way state highway improvements and bond issues were perpetuated.

THE SECRET IS OUT—discovered in England! Mormonism is rampant in this country and polygamy practiced despite law. Perhaps, and we'd like to bet that the plural marriage law breakers, such as Winifred Graham exposes, are avowing "dry" principles right now to cover up their sculduggery.

MR. AND MRS. SLMER STUMP are rejoicing over the arrival of a son — Press Democrat. A chip of the old block sure enough, or what's in a name.

Memorial Fund Contributions Coming In Through High School and Other Sources.

Sonoma Valley is working to make its quota of the Roosevelt Memorial Fund, and the High School students under the energetic leadership of Miss Shirley Ward who is in charge of the subscriptions in this district, are making a proud showing. Already twenty captains have been appointed to canvass the various districts of the valley and all money turned in by them will be listed and published in the local papers by Miss Ward. The High School pupils or Miss Ward herself will accept any contributions to the fund to commemorate the distinguished American and ex-president, Theodore Roosevelt.

On Monday afternoon, in accordance with Governor Stephens program for Americanization day throughout the State, the Sonoma High School will devote the afternoon to papers, addresses and songs on patriotic themes. The Duties of American Citizens, Good Citizenship and what constitutes it etc., will be among the topics discussed. The public is invited.

Louis Breitenbach transacted business in San Francisco last Monday.

F. Nichelini was a Sonoma business man who had business in the metropolis the fore part of the week.

GIGERICH & CALLAHAN PREPARE FOR BIG CHICK SEASON

Gigerich & Callahan, the well known poultry raisers of Vineburg are preparing for a big baby chick season. Already 20,000 chicks have been ordered by their customers and the season which begins with the scientific breeding establishment on January 15th, 1920 is already booked to capacity until March 25th.

Gigerich and Callahan produce all their own hatching eggs having about 2000 mature fowls. S. C. White Leghorns of the famous Wyckoff strain. All eggs intended for incubation are scientifically tested for nutrient content and only those used that contain ample nourishment to produce healthy, vigorous chicks. This firm ships to many states in the West each year and at the present outlook of prices it can be readily seen that hatcheries such as this will do a volume of business the coming season entitling them to be rated among Sonoma Valley's most valued enterprises. Prices of baby chicks are based entirely upon the market price of eggs.

ATTENDED FUNERAL OF BROTHER

Mayor Chas. Dal Pogetto attended the funeral of his brother, R. Dal Pogetto, who passed away in San Jose last Saturday after a lingering illness. Deceased formerly resided in Sonoma where he leaves many friends to regret his passing. He left here six or seven years ago to make his home in the Garden City. Since residing there his health failed and his brother Charles, often visited him hoping to find him improved. For a time he rallied but finally became a great sufferer and died surrounded by his family last week. Medical attention and devoted nursing availed not.

Mayor Dal Pogetto accompanied by his son, Newt, and his daughter, Mrs. Gilla Rivara, were among those who followed the remains to their last resting place, Monday. Interment was at San Jose.

Mrs. Robt. Poppe accompanied by her daughter Miss Emily went to San Francisco Saturday. Miss Poppe is a pupil of Mrs. Winchester, noted vocal teacher of the metropolis.

Miss Matilda Baccala who will remember as Queen Matilda of one of Sonoma's Carnival festivals has been up from S. F. on a visit to her parents, Mr. and Mrs. A. Baccala.

WILL ORGANIZE LEGION HERE

Sonoma Valley's Ex-Service Men To Have Post Here, Meeting Scheduled For Next Saturday Night.

Sonoma Valley is to have a branch of the American Legion, the new national organization of ex-service men of the late war. Sergeant Frank W. Bruhn, war risk officer of San Francisco, Post No. 1, will be here next Saturday night to address a meeting, to which all service men are invited and urged to attend. Wm. F. Sutter who saw service overseas has been interesting himself in the organization of the Post here and many other young men have expressed a desire to make the organization a big factor locally. The first meeting will probably be held at the Grammar School auditorium where Dr. A. M. Thomson, prominent physician and ex-service man will preside.

In reward to the American Legion, the Columbus Citizen of Sept. 16 said "The G. A. R., formed half a century ago, has a splendid and notable history of vigorous, patriotic influence on the national life of the United States."

That strength and influence now has a new birth in the American Legion, a national organization of soldiers, sailors and marines who served the nation in the war with Germany and her allies.

Nearly all its members are men who were civilians before the war, and are now again civilians. It makes no distinction of rank, and no distinctions between overseas men and those who did not get overseas. It is not military. It is not political. Its voice in all matters is the majority voice of its members. Its will is their will.

The American Legion, in a word, is American. It seems destined to become a most vigorous and effective force in the national life of the United States.

Its purposes are set forth in the preamble to its constitution adopted at a meeting at St. Louis last May. These purposes are:

To uphold and defend the constitution of the United States of America.

To maintain law and order.

To foster and perpetuate 100 per cent Americanism.

To preserve the memories and incidents of our association in the Great War.

To inculcate a sense of individual obligation to the community, state and nation.

To make right the master of might.

To promote peace and good will on earth.

MRS. R. E. MURPHY UNDERGOES OPERATION AT SAN JOSE

Mrs. Ralph Murphy underwent an operation for appendicitis at Columbia Hospital, San Jose, on Tuesday. The operation was performed by Dr. Beattie and the patient is reported resting as comfortably as can be expected. Mr. Murphy, who accompanied his wife to San Jose, returned home Wednesday evening.

Sonoma friends hope that the young matron will soon be able to return to her home and family. Her mother, Mrs. R. B. Thomas will look after the four children of the household while Mrs. Murphy is at the hospital.

ATTORNEY FANNY McG. MARTIN HURT IN FALL

Attorney F. McG. Martin fell down a flight of steps while descending from the second story of the court house Monday and badly injured and bruised herself. Fortunately there were no bones broken.

Attorney Martin had been in court during the calling of the calendars and was returning to her offices at the time of the accident. She has recently had dizzy spells and it is believed one of these attacked her as she was descending the steps.

Her injuries were cared for by the nurse in the office of a local physician and she returned to her home to take a rest. Mrs. Martin had a badly injured knee and side and was bruised in various portions of her body. —Republican.

Tonight the Womans Improvement Club of Glen Ellen will give the annual masquerade ball for the benefit of the Jack London Memorial fund. The Chauvet hall is to be the scene of the brilliant affair for which many tickets have been sold. Music for the event has been donated by Fetters Springs who will send their popular jazz band to play which is a guarantee of good, up to date music.

No one will be permitted on the floor without a mask and several handsome prizes have been offered for the best dressed lady and gentleman, best sustained and most original characters.

CLUB NOTES

The social meeting of the Sonoma Valley Womans Club, occurred on Friday afternoon, Oct. 17th with an unusually good attendance. Very little necessary business appeared. Mrs. Robt. P. Hill was on the day's program committee while Mrs. C. E. Johnson filled the part of hostess.

Mrs. Hill chose as her topic, The Sun Dial—and read a very interesting and original paper on the subject, supplemented by many beautiful photographs and engravings of antique and remarkable sun dials to be found abroad and in our home land. These illustrations also bore appropriate mottoes and brief poems and were distributed among the audience. The ladies holding them rising and reading as called upon by Mrs. Hill. This little novelty greatly enhanced the pleasure of the program.

Among the light refreshments served was a cake donated by Mrs. Appleton, the slices being sold to swell our "Flag Fund"; the sum of \$2.50 was this added.

PROMINENT ORCHARDIST UNDERGOES OPERATION

Wm. Clements of Sunnyvale, formerly of the Eden Dale ranch near Schellville, underwent a capital operation this week at San Jose. Mr. Clements was suffering from an acute attack of appendicitis and upon news of his serious illness, his mother hastened to his bedside. Reports from the hospital Tuesday indicated that the operation was a success.

Clements bought a fine cherry orchard in the Santa Clara valley after leaving here and is interested in several big fruit packing concerns in that section of the state.

Sonoma friends hope for his speedy recovery.

THE UNIVERSAL CAR

The Ford car can well be called the "peoples car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it. ANOTHER HAT IN THE POLITICAL RING

As the boys would say "the woods are full of 'em—now comes Chief George Cause who declares he has shed his hat into the ring for Supervisor too. Cause holds the record for filling official positions at Boyes Springs. He is plenipotentiary extraordinary if we are to judge by his official titles. He is chief of the fire department, chief of police, deputy constable, officer of the Prevention of cruelty to animals society, theatrical manager, clubhouse manager, real estate dealer and chief speller for diverse Charity fetes. In fact on the strength of his pull with the ladies due to his obliging presence at bazaars etc., he feels that he will get the women's vote for Supervisor.

In an oratorical campaign from the rostrum George Cause should make votes for himself fall like confetti on a carnival night. He may electioneer in the Little Red Devil and his decision to run for office is giving rise to the question as to just what he has thrown into the ring—fireman's hat, policeman's cap, stove pipe or derby? Cause says he can collect the votes in any style mentioned.

Mrs. Julia Odono of Granada, Siskiyou County, is here with her parents, Mr. and Mrs. L. Marioni, recuperating from the effects of an operation for throat and ear trouble. She was operated upon by Dr. Black of San Francisco and expects to remain in Sonoma's famous climate for about two weeks before returning to her home up north. Her husband is in the hotel business there.
